

OWL'S NEST CHEESY SPUD TOPPER

Better than butter, superior to sour cream, Owl's Nest adds flavorful zip and a touch of creaminess to your potato! Slice open a hot baked potato and use a fork to fluff the inside until it's soft and airy. Scoop Owl's Nest cheese spread over the warm baked potato and let it melt. Top with bacon bits, steamed broccoli, chives – whatever you're craving! *Now that's a spot-on spud!*
